**Joint and several judgment on the obligation to redress the damage under  
art. 46 § 1 of the penal code**

The aggrieved has two ways to claim compensation – they can bring a civil action or submit a motion to redress damage pursuant to art. 46 § 1 of the Penal Code. Compensation for damage under this motion is of civil law nature. Therefore, considerations should include the possibility of issuing a ruling on joint and several obligation to redress the damage.

**Keywords:** joint and several liability for redressing damage, claim damages, the Penal Code
