Enforcement of payments regarding the remuneration for work

The article describes the enforcement proceedings regarding the remuneration for work and aims to explain its mechanisms. Therefore, basic information about administrative obligations as well as types of enforcement of payments is included. It also seemed vital to describe relations between the provisions of the act on administrative enforcement proceedings and the labor law.

The proper understanding of the term "remuneration" and its components under the provisions of the labor law and the enforcement proceedings are also presented.

The next part includes detailed description of the enforcement proceedings, as well as the obligations of the enforcement authority and the employer within this matter.

Moreover, legal regulations on the maximum deductions from remuneration for work were indicated, as well as the author quoted other acts of law regarding this subject matter.

Keywords: execution, salary, deductions
